**John O'Leary**

John was just a curious nine-year-old boy when he played with fire and gasoline, creating a massive explosion in his home that burned 100% of his body. He was given less than a 1% chance to live.

In 2006, the epic story of John's survival was showcased in his parent's book "Overwhelming Odds." This book inspired John to embrace his miraculous recovery and share it with the world. Mr. O'Leary is consistently described as "the best speaker we've ever had." His emotional storytelling, unexpected humor and authenticity make each of his presentations truly transformational.

Today, John is the author of the #1 National Bestselling book, "ON FIRE: The 7 Choices to Ignite a Radically Inspired Life" and "IN AWE: Rediscover Your Childlike Wonder to Unleash Inspiration, Meaning and Joy." John is also the host of the top-rated "Live Inspired Podcast" with more than 2 million downloads.
